DRESS REHEARSAL SCHEDULE

FRIDAY - JUNE 8, 2018

at Lakeland Performing Arts Center, 1630 Bogie Lake Rd, White Lake, MI 48383

DRESS REHEARSAL IS MANDATORY.

Any student missing from Dress Rehearsal will NOT be able to participate in the show.

All students must arrive to Dress Rehearsal 15 minutes before their scheduled 'on stage' rehearsal time (listed below). Dancers will practice their dance(s) on stage in their costumes and performing tights with the required dance shoes, and hair/make-up done.

It saves time for students to already be wearing their costumes when they arrive, however, cover-ups must be worn to keep costumes clean and undamaged (robes or oversized button-up shirts work well).

Students may change into their costumes at Lakeland, however, arrive early so that there is enough time to change. No dressing rooms are available at Dress Rehearsal, but you may use the restrooms to change. There will be assigned dressing rooms at Recital.

At Dress Rehearsal, dancers will sit in the audience with their classes. While waiting to be called on stage, students are responsible for warming up themselves to avoid injuries. Warm ups should be done in an open space in the auditorium. Warm ups include ankle circles/rolls, jumping jacks, body isolations, stretching, etc. Classes will rehearse their dance twice on stage (only once for Competitive Company) and students may leave Dress Rehearsal after their last dance is rehearsed.

Non-flash photography and videotaping may be done at Dress Rehearsal only, but NOT at Recital.

If you are taking pictures at Dress Rehearsal and your flash goes off, you will be asked to turn off the flash. Flashes are dangerous to the dancers and staff on stage.

*****Parents, you are responsible for checking that your child's name is spelled correctly for the recital t-shirts and program. If you see errors, or if your child's name is missing, email Gina ASAP at gina@wixomdance.com - no later than Saturday, May 21.*****
